EXECUTIVE OFFICER

Dear Supervisors:

**APPROVAL OF DEPARTMENT OF PARKS AND RECREATION:
REVISED GOLF COURSE GREENS FEES
(ALL DISTRICTS) (3 VOTES)**

SUBJECT

Request to approve revisions to the Department of Parks and Recreation's Golf Course Greens Fees, effective April 1, 2011. Revisions to the Department of Parks and Recreation's golf course greens fees are based on the annual review of fees charged for similar services by neighboring golf courses.

IT IS RECOMMENDED THAT YOUR BOARD AFTER THE PUBLIC HEARING:

1. Find that these actions are exempt from California Environmental Quality Act according to Section 15273(a)(1)(2)(3)(4) of State California Environmental Quality Act Guidelines because it does not apply to the establishment, modification, structuring, restructuring, or approval of rates, tolls, fares, or other charges by public agencies.
2. Adopt and instruct the Chair to sign a resolution to revise the Department of Parks and Recreation Golf Course Greens Fees effective April 1, 2011.
3. Approve revisions to the Golf Course Greens Fees Schedule, effective April 1, 2011.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The Department of Parks and Recreation (Department) has completed its annual review of golf course greens fees in accordance with a 1980-81 Grand Jury recommendation. The most recent survey (Attachment I) and cost analyses indicate that the Department's schedule of golf course greens fees are approximately 25 percent less than the average fees charged at similar municipal and public courses in Southern California. Therefore, increases to the Department's schedule of golf course greens fees are warranted as outlined in Attachment II.

While the proposed increases will leave the Department's golf course greens fees below the average fees charged by other municipal and public courses, previous experience indicates that increasing golf course greens fees more than those proposed in Attachment II, at one time, may have a negative impact on the number of rounds played.

All fees were reviewed to ensure that they are reasonable and cost effective in comparison to other municipal and public courses. The results are reflected in our recommendations.

The Department's Golf Advisory Committee commenced the review process in June 2010. The Advisory Committee submitted their final recommendation to the Department in September 2010 in support of this fee increase.

The last revision to the Department's golf course greens fees was made on January 1, 2009.

Golf Course Greens Fees and Related Actions

The Department's golf course greens fees were last revised on January 1, 2009. Since that time, operating expenses, including wages and product costs, have increased by an estimated 10 percent over Fiscal Year (FY) 2009-10. In addition, the amount of funding being deposited into the golf course improvement funds has failed to keep up with the costs of providing major maintenance and improvements to the facilities.

Golf Course Greens Fees Increases

The most recent survey of golf course greens fees indicates that the golf course greens fees at County courses are approximately 25 percent less than the average fees charged at similar municipal and public courses in Southern California (Attachment I). Therefore, increases to the Department's schedule of golf course greens fees are warranted. The fee schedule, as outlined in Attachment II, would be effective April 1, 2011.

The recommended revisions to the current schedule of golf course greens fees represent a \$1.00 increase for weekday senior regulation play, a \$1.00 increase for weekday regulation play and a \$2.00 increase for weekend regulation play with other golf course greens fees increased at a proportional rate. There are no proposed increases for junior greens fees and tournament registration fees.

Although the proposed increases will result in the Department continuing to charge less than other municipal and public courses, prior experience indicates that increasing the fees by higher amounts at a single time, may result in a significant decrease in rounds at some courses.

Implementation of Strategic Plan Goals

The proposed recommendations are consistent with the County Strategic Plan Goals of Operational Effectiveness (Goal 1), by ensuring that appropriate revenues are realized to offset necessary operating costs, which allow the Department to provide the golfing to public with affordable yet consistently well-maintained golf courses.

FISCAL IMPACT/FINANCING

The recommended actions will result in an estimated operating budget net revenue increase of approximately \$104,000 in FY 2010-11 and \$415,000 in FY 2011-12, which will be utilized to fund general operating cost increases throughout the Department. In addition, the recommended actions will result in an estimated Golf Course Capital Improvement Trust Fund net revenue increase of \$36,000 in FY 2010-11 and \$142,000 in FY 2011-12, which will be utilized for capital improvements at specific management leased golf courses.

Operating Budget Impact

The recommended actions will provide an estimated increase to the Department's Operating revenue of \$104,000 in FY 2010-11. The full year estimate of \$415,000 is included in the Department's FY 2011-12 Recommended Budget Request.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The golf course greens fees were reviewed to ensure reasonableness and cost effectiveness in comparison to other municipal and public agencies. The results are reflected in our recommendations. The last revisions to the Department's golf course greens fees were made on January 1, 2009.

In accordance with Section 50402 of the Government Code, these changes must be approved by a resolution of your Board.

These fees are not affected by Proposition 26 in that they fall within the "benefits or privileges" and "property" exceptions to such.

County Counsel has approved the attached resolution as to form.

Public Hearing Notice

Public hearing notice requirements of Government Code Section 6062a have been satisfied and public hearing requirements of Government Code Section 66018, for fee increases will be satisfied by this action.

ENVIRONMENTAL DOCUMENTATION

Approval of this action is exempt from California Environmental Quality Act (CEQA), according to Section 15273(a)(1)(2)(3)(4) of State CEQA Guidelines because CEQA does not apply to the establishment, modification, structuring, restructuring, or approval of rates, tolls, fares, or other charges by public agencies.

The project is also exempt from CEQA because it is for the purpose of (1) meeting operating expenses including employee wage rates and fringe benefits, (2) purchasing and leasing supplies, equipment or materials, (3) meeting financial reserve needs and requirements and/or (4) obtaining funds for capital projects necessary to maintain service within existing service areas, pursuant to Section 21080(b) 8(A)(B)(C) of the Public Resources Code

IMPACT ON CURRENT SERVICES (OR PROJECTS)

The recommended fee increases are not anticipated to have a significant impact on services provided by the affected facilities. The public will be notified in advance of the effective date of the increases, with posted notices at each golf course.
